Canterbury University	University Housing	\$ 11,655	\$ 2,720	\$ 14,375	

Tuition and Fees

Tuition and fees include the arts and social science tuition charged by the host university for a normal course load (see Acceptance Packet for details). However, universities charge extra tuition if students exceed a normal course load and/or charge a higher tuition for disciplines such as science, engineering and other speciality areas involving laboratory, studio, or field work. These extra tuition fees are not included in the program fee and are billed separately by either Study Australia or the host institution after enrollment in Australia or New Zealand.

Housing

Study Australia Premier housing is off-campus housing arranged and managed by Study Australia. If a student chooses university housing they will be billed separately for all mandatory meal plans, if applicable. Most mandatory meal plan costs range between \$700 - \$1,500 depending on the number of meals provided each week. Please consult your enrollment coordinator for information on meal plan availability and costs. Participants that opt-out of our pre-arranged housing will not be billed the housing portion of their program.

Technology Package

The Technology Package included within Study Australia Premier off-campus housing is valued between \$390 - \$475 if arranged separately and includes the following: high-speed internet service, internet modem, landline phone connection, monthly phone connection fees and option to purchase discounted cell phone. Some units also include all local phone calls (normally \$.30 per call in Australia). Technology Packages in Sydney also include cable television. Please note that many of our housing units also contain complimentary wireless routers, but due to varying Internet Service Providers (ISP) and connectivity setup issues, wireless internet cannot be guaranteed with every internet setup.

Housing Deposit

All participants are required to pay a \$350 housing deposit in addition to the Program Fee. This fee is refundable at the conclusion of the program, less any damages, fines or outstanding debts.
